Independence Restored with Union Health!

Union Health is one of the nations largest healthcare networks. We work with our network of affiliates to provide you with free health related services & solutions that will help you maintain a healthy & productive lifestyle.

We provide solutions for:

- Diabetes
- Mobility Limitations
- Arthritis
- Erectile Dysfunction
- Respiratory Conditions
- And More

Benefits of Choosing Union Health

- Medical solutions could be provided at no cost
- No hassling paperwork to fill out
- **FREE** home delivery with product support & in-home training
- Delivered within 7-10 business days; (exception, mobility can take 30-45 business days)

Diabetic Testing Supplies

Do you have diabetes?

Are you looking to better manage how you test your blood glucose levels?

Eliminate going to the pharmacy or waiting in line - these no cost solutions are delivered directly to your front door!

You will receive a **FREE** Testing Meter with the first shipment.

Delivered to you every 3 months:

- ✓ Testing strips
- ✓ Lancets
- ✓ Lancing device
- ✓ Control solution
- ✓ Battery replacement

Benefits of Diabetic Solutions

- Never prick finger again with alternate site testing capability
- Quickest test result on the market - 3 second reaction time
- Virtually pain free - smallest sample of blood on the market
- One touch memory recall
- 450 test memory
- **FREE** cookbook with first order
- **FREE** blood pressure monitor with second order

Mobility Products

Regain your independence with everyday tasks, such as going to the store or getting around your house with a Power Scooter or Power Wheelchair!

Benefits of Mobility Solutions

- Anti-tip wheels
- Can go up to 5 mph
- Indoor & outdoor maneuverability
- Easy navigation through tight spaces
- Wheelchair is steered with a joystick
- Scooter is steered using handlebars - available in 3 or 4 wheels
- **FREE** mobility consultation, home delivery & setup anywhere in the U.S.
- Accessories: basket, clutch holders, cup holders, elevating leg rests

Arthritic Back Braces

Relieve pain, swelling, stiffness or limited movement with one of these three innovative back braces.

3 braces are available in sizes small – 5X large to accommodate all body sizes. Our medical providers will consult with your physician to determine which brace is best fit to manage your needs.

Benefits of Back Braces

- Flexible pulley system
- Quick, one hand adjustment that contours to any body shape
- Comfortable, can be worn 24 hours a day
- Provides support & durability
- Single front closure
- Anterior & posterior panels that are easy to remove

Erectile Dysfunction Pump

Looking for a non-invasive, drug free alternative to restore impotence without any side effects? Your solution is right here!

The Vacuum Erection Therapy System (VETS) is capable of restoring sexual function in up to 90% of impotent men. Vacuum therapy with the use of VETS, can produce penile rigidity for as long as thirty minutes.

Benefits of ED Pump

- Easy one hand operation
- Comes with an educational video & sample lubricants
- 7 different ring sizes (most on the market)
- Produces results when you are ready
- Lifetime warranty on pump & tube
- Stylish & discreet carrying case
- FDA approved

Portable Oxygen Concentrator

Do you currently use oxygen? If so, how do you obtain your oxygen? Eliminate bulky tanks or waiting around for deliveries! Enjoy the convenience & freedom you deserve with a Portable Oxygen Concentrator.

Benefits of POC

- 8 hours of battery life
- Latest technology: easy to use touch screen
- Small light weight design: Less than 5 lbs
- Multiple power options: wall outlet, car charger, battery
- Freedom to travel anywhere – FAA approved
- Never run out of oxygen again with this cyclical production of ambient air filtration

How Does Union Health Work?

You must establish the following in order to be approved:

1. Have Union Health acceptable insurance
 - Medicare Part A or B; or
 - Private Fee For Service (Medicare Advantage)
2. Give your permission for an Union Health Customer Service Representative to call you
3. Establish Medical Necessity

From here, fill out a consumer application & within 48 hours of receipt of your application, a Union Health Customer Service Representative will be calling you.

What if I do not have Union Health Accepted Insurance? You qualify for the RHS Discount Program

- Offers you the chance to pay out-of-pocket at a greatly reduced rate.
- Also, if you do have insurance coverage but it is not accepted by the medical provider, then you can file a claim in an effort to get reimbursed for the provided supplies.
