

Lincoln *MoneyGuard®* solutions

Medication Guidelines

Any prescription or over-the-counter medication your client is taking is significant to the Lincoln *MoneyGuard* solutions underwriting process. During their Personal History Interview, clients should fully report all medications used. The following guidelines list some medications that are typically used to treat significant health problems, indicating that a client may be uninsurable. Note that this list is not all-inclusive. If you have questions regarding specific client medications, please contact Lincoln Underwriting.
