POLICY BENEFITS

Total Disability Monthly Benefit *(also referred to as Base Policy Monthly Benefit)*

If the insured is totally disabled and the elimination period has been satisfied, this benefit will be paid. Benefits will continue while the insured is totally disabled or to the end of the benefit period, whichever is first.

Total disability monthly benefits will be paid for only one of two or more concurrent disabilities. Also, a recurrent total disability is considered a new total disability only if it is separated from the ending date of the prior total disability by a period of one year or more where the insured is continuously employed on a full-time basis and not receiving any disability monthly benefits. A new total disability is subject to a new elimination period and starts a new benefit period. Any other recurrent total disability is considered a continuation of a prior total disability, not subject to a new elimination period or starting a new benefit period. *(see Definitions section)*

Partial Disability Monthly Benefit

If the insured is partially disabled and has resumed part-time employment immediately following a period where they received total disability monthly benefits, this benefit will be paid. Benefits will continue until the insured is no longer partially disabled or to the end of the benefit period, whichever is first, but no longer than six months. The partial disability monthly benefit is 50 percent of the base policy monthly benefit.

Presumptive Disability Benefit

If the insured is presumptively disabled, the total disability monthly benefit will be paid regardless of the insured's ability to work and whether or not they are under the care of a physician. The elimination period does not need to be satisfied for the insured to receive the benefit.

Home Modification Benefit

If the insured is totally disabled and has been receiving total disability monthly benefits for six consecutive months, the actual costs up to six times the base policy monthly benefit during their lifetime will be paid towards modification of their existing residence to accommodate their disability. Modifications must begin while the insured is totally disabled.

Survivor Benefit

If the insured dies while receiving total disability monthly benefits and has been receiving total disability monthly benefits for at least the prior 12 consecutive months, a lump sum of six times the base policy monthly benefit will be paid to the beneficiary(-ies).

Policy Description *(continued)*

Vocational Rehabilitation Benefit

If the insured is totally disabled and has been receiving total disability monthly benefits for six consecutive months, the actual costs of a vocational rehabilitation program may be paid, up to a maximum of six times the base policy monthly benefit during their lifetime. The program must be pre-approved by Assurity and provide instruction or training at an accredited college, university or vocational school that contributes to the insured's return to work. Participation is voluntary and may be at the insured's request or as suggested by Assurity.

Organ Donor Benefit

If the insured becomes disabled as the result of surgery for transplanting an organ or donating bone marrow, Assurity will pay policy and rider benefits on the same basis as any other sickness.

For benefits to be paid, the elimination period must be satisfied and the donation must occur after this policy has been in force for six months or more from the issue date or last reinstatement date.

Waiver of Premium

Renewal premiums will be waived on the first premium due date after the insured has been totally disabled for the elimination period or 90 days, whichever is shorter. Any premiums paid during this period which became due after total disability started will be refunded.

Waiver of premium ends when the insured is no longer receiving disability monthly benefits. Premiums are not waived during a period of partial disability.

Optional Riders – at additional cost; available at time of application only

The following rider descriptions are according to riders as approved in Nebraska. Benefits and provisions may vary by state. For complete details of coverage, please contact Assurity Life Insurance Company or review the riders.

AUTOMATIC BENEFIT INCREASE RIDER *(Form No. R 10922)*

If the insured receives an increased benefit and then recovers, the benefit may be increased permanently with written request to Assurity within 90 days of recovery before attained age 60 and if employed full time. Premiums for the increased benefit will be based on the insured's attained age and Assurity's then-current rates.

Renewability: Guaranteed renewable to age 65, age 67 for to-age-67 benefit period

Issue Limitations: Not available with the 1-year benefit period or for government employees

CATASTROPHIC DISABILITY BENEFIT RIDER *(Form No. R 10923)*

The Catastrophic Disability Benefit Rider provides a monthly benefit if the insured is catastrophically disabled and all base policy monthly benefits have been paid. Benefits will continue and premiums will be waived while the insured is catastrophically disabled or to the end of the catastrophic benefit period, whichever is first.

CRITICAL ILLNESS BENEFIT RIDER *(Form No. I R0721)*

The Critical Illness Benefit Rider will pay a benefit if the insured receives a first-ever diagnosis or has a procedure for one of the specified critical illnesses shown in the following chart. The amount payable is the percentage of the benefit amount found in the chart multiplied by the benefit amount.

Renewability: Guaranteed renewable to age 65, age 67 for to-age-67 benefit period; conditionally renewable to age 75 if employed full time *(same as policy)*

Benefit Amounts: Minimum \$5,000 through maximum \$150,000 but not exceeding 36 times the base policy monthly benefit

Issue Limitations: Not available with the Return of Premium Benefit Rider

Benefits Payable in the Same Category: If an insured receives a percentage of the benefit amount for one specified critical illness within a category and then becomes eligible for benefits for another specified critical illness within the same category, the benefit amount payable for the subsequent illness within the same category is the lesser of the percentage amount payable or 100 percent minus the percentage of the benefit amount received for all previous specified critical illnesses within the same category.

After 100 percent of the benefit amount shown on the rider schedule has been paid to an insured person within a category in the chart above, Assurity will not pay any additional benefits for any specified critical illness in that category for that insured person.

Benefits Payable in Different Categories: If benefits have been paid for a specified critical illness within one category for an insured person, no benefits will be payable for a subsequent specified critical illness within a different category for that insured person unless the date of diagnosis of the subsequent specified critical illness is separated by at least 180 days from the date of diagnosis of the immediately preceding specified critical illness.

Additional amounts will have the same benefit period and elimination period as the policy. Increases do not require evidence of insurability and are based on the insured's current income and Assurity's current issue and participation limits in effect on the option date. Premiums for the additional insurance will be based on the insured's attained age and Assurity's then-current rates.

The insured may exercise this option no more than five times before age 55. Increases must be requested in writing to Assurity during the option period – 60 days prior to an option date up to the option date. Any premiums paid during this period, which became due after total disability started, will be refunded.

For the first six months of residual disability, Assurity will pay the greater of the residual disability monthly benefit and any partial disability monthly benefit payable but not both. SUPPLEMENTAL DISABILITY INCOME RIDER *(Form No. R 10929)*

MULTI-LIFE DISCOUNT

A discount will be applied when three or more policies are issued at the same time to an employee-employer group set up as a list bill. Eligible products and applicable discounts are as follows: Century+ Individual Disability Income, 15 percent; Personal Disability Income (PDI) in California only, 5 percent; and Business Overhead Expense (BOE), 5 percent. If either Century+ or PDI CA and BOE are issued on the same insured, both policies count towards the three policy minimum.

The same discount may also be available for employer-employee groups desiring automatic bank withdrawal versus a list bill with approval from an Underwriting Manager or the Director of Underwriting prior to the submission of applications. In considering such a request, the following information will be required:

- Documentation establishing a significant level of employer support such as an employee communication from an officer of the company announcing the opportunity to apply for coverage, the details for doing so, and why the employer is making the opportunity available.
- Employer-provided documentation establishing the employer-employee relationship which includes each applicant, such as a current payroll ledger, a quarterly income tax withholding statement, or other employee tax reporting statements for the company.

The multi-life discount will continue for any insureds leaving a multi-life group and will be extended to any employees joining the group. If list bill is not used, it is the agent's responsibility to notify Assurity when subsequent applications are submitted for an established employer group after initial setup, as well as provide continuing evidence of significant employer support and a payroll ledger documenting the applicant's employment.

AVOCATIONS

Individuals involved in aviation, auto racing, hang gliding, sky diving, skin/scuba diving or similar activities on an amateur basis can be considered for coverage in most cases. The agent must report the activity on the application and complete the appropriate questionnaire. Usually, a policy amendment rider (exclusion rider) will be attached to the policy if the application is approved.

FOREIGN NATIONALS

Applications may be taken for United States citizens who permanently reside in the U.S. or for permanent resident aliens who have lived in the U.S. for at least two years and do not plan to return to their native country on a permanent basis. The applicant's resident alien card number must be submitted with the application for a permanent resident alien. A photocopy of the resident alien card can be included in case it is required.

COLLECTION LIMITS

Premium may be collected with the application when:

- the amount of insurance applied for, combined with in-force coverage, does not exceed \$5,000 monthly benefit; and
- the applicant has answered all application health questions with no indication of adverse conditions or is scheduled to be medically examined.

Premium should not be collected with the application when:

- the amount of insurance applied for, combined with in-force coverage, exceeds \$5,000 monthly benefit; or
- completion of application questions identifies substantial adverse health conditions.

General Underwriting Guidelines *(continued)*

REPLACEMENT GUIDELINES

If existing disability income insurance is to be replaced, the following states require that a replacement form be completed and submitted with the application, and that a completed copy be left with the applicant:

Arkansas	Illinois	New Jersey	Utah
Colorado	Iowa	Oklahoma	Vermont
Connecticut	Kentucky	Pennsylvania	Virginia
Delaware	Maine	Rhode Island	Washington
Florida	Massachusetts	South Carolina	West Virginia
Idaho	New Hampshire	Texas	Wisconsin

BACKDATING POLICY ISSUE DATE

Assurity will backdate the policy issue date 30 days prior to application's signature date to "save age" (i.e. allow for a lesser age to qualify for a lesser rate). However, Assurity will not backdate the policy issue date to "save eligibility" (i.e. allow for a lesser age to meet eligibility requirements).

Occupational Underwriting Guidelines

GENERAL OCCUPATIONAL GUIDELINES

Full-Time, Part-Time and Seasonal Occupations

- Applicants must be employed on a full-time basis (at least 30 hours per week) at the time of application.
- Applicants exclusively employed in seasonal occupations are not eligible for coverage.
- Applicants engaged in more than one occupation, even on a part-time or seasonal basis, will be classified according to their most hazardous occupation.

SELF-EMPLOYED OCCUPATIONS

Business Owner Upgrade

One occupation class upgrade is allowed for business owners meeting the following criteria:

- at least 10 percent ownership,
- self-employed for at least three years,
- net income of at least \$30,000, and
- not a medical professional, farmer or roofing contractor.

Applicants upgrading from 1A to 2A are not eligible for 10-year, to-age-65 or to-age-67 benefit periods.

Business in the Home

Self-employed applicants conducting business in their home 50 percent of the time or less will be underwritten with normal guidelines and eligible for full benefits.

Self-employed applicants conducting business more than 50 percent of the time in their home will be underwritten with the following guidelines:

- the applicant must be employed full time in the current home-based occupation for at least two years;
- the applicant must provide income verification including copies of two most recent years' tax returns, both business and personal, with all schedules and W-2 forms;

Occupational Underwriting Guidelines *(continued)*

- full benefits are available based on the applicant's occupation class;
- for issue ages 18 through 55, all benefit periods are available;
- for issue ages 56 through 60, 1-year, 2-year or 5-year benefit period is available; and
- at the underwriter's discretion, Assurity may make offers on cases that would have ratings and/or exclusion riders.

NOTE: W-2 employees working in the home more than 50 percent of the time will be underwritten with normal guidelines and eligible for full benefits.

Newly Self-Employed Applicants

Newly self-employed applicants without a full calendar year's tax return from self-employment will be required to demonstrate prior full-time employment in a related field. No offers for coverage will be made to newly self-employed applicants without related experience. Any offers made will be based on the following guidelines:

- income considered in underwriting will be half of the applicant's documented average annual income over the last two years;
- standard cases only – no exclusion riders or ratings;
- issue ages 18 through 55 are eligible;
- 1-year, 2-year or 5-year benefit period is available;
- 90, 180 or 365-day elimination period is available;
- policy maximum is \$2,000 monthly benefit and SDIR maximum is the monthly benefit based on half of the average of the applicant's documented annual income over the last two years; and
- Automatic Benefit Increase Rider, Catastrophic Disability Benefit Rider, Critical Illness Benefit Rider, Guaranteed Insurability Rider, Return of Premium Benefit Rider and Supplemental Disability Income Rider (SDIR) are available.

After newly self-employed applicants have been in business for one year, they are eligible for normal underwriting and full benefits based on that year's tax returns. This period may be shortened at the underwriter's discretion if the applicant is taking over for a parent or managed the business prior to ownership.

NOTE: W-2 employees transitioning to a contracted or consulting position with contracts showing a salary that will be paid for at least one year are eligible for full benefits based on their income. A copy of that contract must be provided to Assurity. If more than 50 percent of the applicant's work is conducted at home, Assurity will still allow full benefits.

INCOME DESCRIPTIONS

Earned Income

Earned income is the gross income from the applicant’s occupation, including salary, wages, bonuses, commissions, fees and any other pay for personal services. If the applicant is self-employed or owns any part of a business, earned income is the applicant’s share of gross income earned by the business, plus any salary or draw from the business, minus the applicant’s share of normal and customary business expenses specified as deductible for tax purposes.

Unearned Income

Any kind of unearned income, such as rental property or interest income that continues even if the insured is totally disabled, does not qualify as earned income. Pension or retirement benefits are also considered unearned income.

If unearned income is greater than 15 percent of earned income, the base policy monthly benefit available at issue is reduced by one-half of the monthly unearned income.

SELF-EMPLOYED APPLICANTS WITH MINIMAL NET INCOME

Many self-employed individuals capitalize on depreciation and expenses to report little or no income for income tax purposes. Despite having minimal net income, these individuals may be eligible for a small disability income insurance policy if they are:

- self-employed in the same business for two years,
- self-employed on a full-time basis (at least 30 hours),
- under age 55 at the time of application, and
- not showing a business loss on their most recent tax return.

For these applicants, Assurity will consider up to \$600 monthly benefit (\$300 base policy monthly benefit and \$300 SDIR monthly benefit) with a 1-year, 2-year or 5-year benefit period. The elimination period must be at least 60 days. No riders will be available.

INCOME VERIFICATION

Income verification will be required as part of the underwriting process. Copies of complete tax returns may be submitted but generally, the information suggested in the table below will suffice. State tax returns are usually unnecessary. Assurity may request additional information if necessary.

It is important to provide the most recent documentation. Since income typically increases each year, the most recent documentation will allow for our most favorable consideration. If you have questions, please contact our new business contact center at Ext. 4264.

ISSUE AND PARTICIPATION LIMITS

Maximum Issue and Participation Limits by Occupation Class

Limits by occupation class are as follows:

MAXIMUM ISSUE AND PARTICIPATION LIMIT CHART		
Occupation Class	Maximum Issue Limit	Maximum Participation Limit
4A	\$9,000	\$15,000
3A	9,000	15,000
2A	7,500	10,000
1A	6,000	8,000

The maximum participation limits in each occupation class are determined by the availability of reinsurance and other coverage in force or applied for by the applicant. Other sources of income protection must be considered to avoid over-insurance. Those sources include group disability income insurance, salary continuation plans, social insurance disability benefits, retirement disability coverage and other individual disability income insurance.

Maximum Issue Limits by Income

The minimum issue limit is \$500 of total monthly benefit from at least \$200 base policy monthly benefit and at least \$100 SDIR monthly benefit, if selected. The maximum issue limits are determined by the applicant's occupation class, income and in-force disability coverage. (*see the following Maximum Issue Limits by Income Table*)

Applicants with less than \$1,200 monthly earned income are not eligible for coverage. If the applicant's income is between listed income amounts, the maximum issue limits are according to the higher listed income amount.

If the applicant has group long-term disability (LTD) coverage in force or applied for, the total benefit allowable is the amount listed in the Group Supplement Issue & Participation column minus the in-force group LTD and any individual disability income insurance in force or applied for. The remaining amount can be split between Base Policy and SDIR monthly benefits listed in the income table, not to exceed either maximum.

For business owners with at least 10 percent ownership, net income utilized in determining the maximum issue limits by income can be increased by 15 percent. With this enhancement, the policy may be increased by up to \$750 of monthly benefit, and the SDIR may be increased up to the \$1,800 limit. Issue and participation limits by occupation classes still apply.

NON-MEDICAL LIMITS AND EXAM REQUIREMENTS

Upon completion of the application for the proposed insured, arrangements should be scheduled to fulfill underwriting requirements indicated on the following chart. When using the chart, please note the following:

Age

- All age calculations should use the age nearest birthday.

Amount of Coverage

- To calculate the amount of coverage used in determining underwriting requirements, add up the total amount of coverage applied for on this application plus other disability income and business overhead insurance in force with Assurity.
- Telephone Inspection Reports are ordered by the underwriting department for all applications with total monthly benefits exceeding \$2,000. However, at the underwriter's discretion, an inspection may be ordered on any amount, if necessary. Please inform every applicant that he/she may receive a phone call regarding an interview.

Exam

- In the chart below, "Exam" means paramedical exams for most applicants. Applicants with a history of rheumatic fever, heart murmurs or other extensive medical conditions should be examined by a physician. If there is any question about an applicant's examination, contact the underwriting department.
- If a TeleApp is completed, or if all questions on the application are completed, Assurity can waive the paramedical exam and use an abbreviated exam in which the paramed records height, weight, blood pressure and pulse.

Urinalysis (UA)

- If required, included in paramedical exam.

Blood Requirements (BLD)

- A fasting full blood draw is required; a dried blood spot (DBS) is not acceptable.

Electrocardiogram (EKG)

- If required, included in paramedical exam.

PREMIUM PAYMENT

What are acceptable methods of payment? Assurity accepts payments for initial and renewal premiums using the following methods: automatic bank withdrawal, personal checks, money orders in amounts below \$200 per policy, and cashier's checks in amounts above \$10,000. Credit cards may be used for renewal premiums only. Please use one of these methods so that payment is credited to your policy in a timely manner.

How can premiums be paid by automatic bank withdrawal? Premiums may be deducted from the policyowner's bank account by selecting this option on the application (including information provided on the Field Underwriter's Statement and Automatic Bank Withdrawal Provision) or by completing and returning an Automatic Bank Payment form. A form may be obtained on AssureLINK's Forms/Supplies page or by contacting the client services department at (800) 869-0355, Ext. 4279. The same form may be used to change the bank account.

Automatic bank withdrawal premium payments may be drafted on any day between the 1st to the 28th of each month. If an automatic bank withdrawal payment is returned or declined, Assurity will notify the policyowner and send a copy of the notification to the agent. If a remittance is not received prior to the expiration of the grace period, lapse/non-forfeiture processing will be initiated.

How can premiums be paid by credit card? Assurity does not accept credit or debit card payments for new applications, however customers can pay by automatic bank withdrawal or electronic check. In addition, after a policy has been issued, the customer can change the payment method to recurring credit card or debit card by contacting the client services department at (800) 869-0355, Ext. 4279. Available dates for recurring payments are on any day between the 1st to the 28th of each month.

How are subsequent premiums billed? The original premium notice is mailed 20 days prior to the due date. If unpaid, a reminder notice is mailed five days after the due date. If a remittance is still not received at the end of the 31-day grace period, lapse/non-forfeiture processing will be initiated.

How can a "list bill" be set up? Premiums may be billed to the policyowner's place of employment in a "list bill" by selecting this option on the application (including information provided on the Field Underwriter's Statement) and by having the employer complete an Authorization for List Bill (Form 75-060-05055). The initial premium must be remitted with the application. If you have any questions about setting up a list bill, contact the client services department at (800) 869-0355, Ext. 4279.

COVERAGE INFORMATION

Duplicate Policies

A duplicate policy is available upon receipt of the owner's signed request. A \$20 fee may apply for subsequent requests.

COVERAGE CHANGES

Increasing or Changing Coverage

The following coverage changes require a new application:

- increasing the base policy monthly benefit,
- increasing the SDIR monthly benefit,
- increasing the benefit period,
- decreasing the elimination period, or
- upgrading occupation class.

Administrative Guidelines *(continued)*

There are two methods for increasing the monthly benefit for an in-force disability income policy:

1. Complete an application for the amount of the increase in monthly benefits desired, and make arrangements for any necessary medical requirements. When the application is approved, the new policy will be issued for the amount of increase approved. The insured will then have two disability income policies in force with Assurity.

OR

2. Complete an application for the total amount of monthly benefit desired, including the increase. Indicate on the application that the new policy will replace an in-force policy. Return the in-force policy to Assurity with the application, and make arrangements for any necessary medical requirements.

When the application is approved, the new policy will be issued for the total amount of monthly benefit approved as of the current date. The in-force policy will be terminated. The incontestable period for the new policy will be two years from this issue date. Commissions will be adjusted according to our normal replacement rules.

NOTE: Replacement forms are required in some states. (*see General Underwriting Guidelines section*)

Decreasing Coverage

The following coverage changes require a written request to Assurity:

- decreasing the base policy monthly benefit,
- decreasing the SDIR monthly benefit, or
- increasing the elimination period.

The written request must be signed and dated, and indicate the change desired. When the request is approved, an endorsement detailing the changes will be sent to the policyowner to be filed with the policy.

Change of Beneficiary

The beneficiary of an in-force policy may be changed while the insured is alive by completing and returning a Change of Beneficiary form, which is available on AssureLINK's Forms/Supplies page, or by contacting the client services department at (800) 869-0355, Ext.4279. Return of the policy is not required.

Assignments

The policyowner may transfer, or assign, some or all of the policy rights to another person or organization by completing and returning a Collateral Assignment for Life Insurance form, which is available on AssureLINK's Forms/Supplies page, or by contacting the client services department at (800) 869-0355, Ext. 4279. The form is returned to the assignee and a copy retained by Assurity.

REINSTATEMENT OF A LAPSED POLICY

If the policy lapses due to nonpayment of renewal premium, the insured may apply for reinstatement up to one year from the date of lapse. The following must be provided to Assurity's administrative office:

- a completed reinstatement application form, which is available on AssureLINK's Forms/Supplies page, or by contacting the client services department at (800) 869-0355, Ext. 4279, and
- a signed medical authorization.

If the application for reinstatement is approved pending payment of required premium, Assurity will notify the insured of the premium needed to reinstate the policy. Once payment is received, the policy will be reinstated on the reinstatement date – the date Assurity has both approved the application and received the premium due. Additional reinstatement procedures will be determined by the policy language approved in each specific state.
