

BLUE BUTTON 2.0

AQE SHOPPING EXPERIENCE

What is Blue Button 2.0?

- Centers for Medicare and Medicaid Services (CMS) initiative to expand access to health information and improve the seamless exchange of data in healthcare – PROMOTE INTEROPERABILITY by giving patients access to their data
- **Beneficiary must use their Mymedicare.gov login or create an account**
- Contains up to 4 years of Fee-for-Service medical claims and Part D drug claims
- Can be used to:
 - Access doctors, medications, and pharmacies to assist in shopping experience
 - Lessen the time spent entering information manually
 - More accurately capture beneficiary information for shopping experience

Blue Button from Medicare

Using the Medicare Blue Button connection, many consumers can import their Doctors, Prescriptions, and Pharmacies from the previous year. This will assist in choosing a new plan for this year by allowing you to have a complete history loaded in the health plan selection tool.

You have full control over how your data can be used by logging into MyMedicare.gov in a few easy steps.

[Connect to MyMedicare.gov](#)

[No, I prefer to enter my information manually](#)

Create an account for a more personalized experience.

Create Account

A pop-up box will appear notifying the user that they are being directed to Medicare.gov

The beneficiary will need to log in with existing Mymedicare.gov credentials or create an account

CREATING A MYMEDICARE.GOV ACCOUNT

How to Create a MyMedicare.gov Account

Medicare.gov

Log in or create account

USERNAME

PASSWORD

Log In

Create Account

- Select 'Create Account'
- Enter in the prospect's Medicare number as it appears on their Medicare card
- Register with the same address that the Social Security Administration or Railroad Retirement Board has on file
- Create a username and password
- Sign into account

ACCESSING INFORMATION

Permission to Access Medicare Data

The beneficiary will need to read through the permission statement before allowing Mymedicare.gov to access their Medicare data.

Medicare.gov

Ascend Quote & Enrollment

Ascend Quote & Enrollment wants permission to access your Medicare data.

Ascend Quote & Enrollment will be able to:

- Access your Medicare claims data.
- Access your personal details like your name, address, and age.
- Store your Medicare data on their systems.
- Get updates to your Medicare data unless you revoke access.

Understand the risks:

You have the right to share your health information, but there may be risks. Be sure to review the app's Privacy Policy and Terms and Conditions. You can revoke an app's access to your data at any time by logging in to your [MyMedicare.gov](#) account or calling us at 1-800-633-4227.

Allow

Deny

Once they have read the statement, the beneficiary can select 'Allow' to give Mymedicare.gov access to their information or they can click 'Deny' if they wish to withhold the information
