

SOCIAL MEDIA

FOR THE MEDICARE MARKET

Social Media can help you grow, and we know how to help. Gordon Marketing's Creative Department produces rich, informative Social Media posts, and now, we are offering this service to you.

Consistency is key in social media marketing. For your audience to recognize your brand, you must be consistent... From the tone of voice used in messages to the aesthetics of your profiles, you need to be recognizable to gain traction among your intended audience.

We'll set up your accounts, create informative messages, and post the content. All you have to do is watch your business grow.

- **Current, important industry information that applies to YOUR clients**
- **Branded for your agency**
- **Free Facebook Business profile setup**
- **1 post per week (you do nothing)**
- **1 year contract required**
