

# OVER-THE-COUNTER (OTC)

## Supplemental Benefit

WellCare, in partnership with CVS and InComm, gives members a fixed dollar amount they can use to stock up on over-the-counter (OTC) items. It's a quick, easy way for them to get brand name and generic OTC items like bandages, pain relievers, cold medicine, toothpaste, vitamins, and much more.

### Members can easily get their OTC items several different ways:

Browse our paper and online catalogs and then call us or place an order via the CVS OTC Health Solutions portal

Visit a participating CVS retail location and use their WellCare member ID card to get their items

Use their OTC debit card at participating retail locations to purchase items (available only on select plans in select markets)
