

Returning Agent FFM Certification

Plan Year 2022 Registration and Training Now Live for Returning Agents and Brokers

HHS and CMS announced this morning that the Plan Year 2022 Marketplace registration and training is now available for agents and brokers who completed registration and training for Plan Year 2021.

The full training for Plan Year 2022 for agents and brokers who did not complete registration and training for Plan Year 2021 is not yet available. You will have the option to enroll in the full training, if desired, once it is available. CMS and NAHU will conduct additional outreach to let you know when the full training for Plan Year 2022 is available.

If you are a returning agent or broker, follow these steps to complete registration and training:

1. Log in to the CMS Enterprise Portal
2. Update your information on your Marketplace Learning Management System (MLMS) agent/broker profile
3. Complete the Marketplace training requirement
4. Read and accept the applicable Marketplace Agreement(s)
5. Print your 2022 Registration Completion Certificate
6. Confirm your registration by using the [Registration Completion List](#)

Throughout the registration process, you can use the [Marketplace Registration Tracker](#) to track your progress.

As a returning agent or broker, you will be automatically enrolled in the Marketplace Training for Returning Agents and Brokers, a shorter training that is approximately 90 minutes long. The curriculum for the Marketplace training for returning agents and brokers consists of a self-paced review of Marketplace resources and updates. As part of the Agent Broker General Agreement, you must attest to completing the required reading and review of the materials in order for your training to be considered complete.
